

Elk River Quarterback Club
June 20, 2011 Meeting Minutes

Members Present: Mike Miller, Chris Cross, Sheila Heston, Mike Brown, Amy Madsen, Doug Franz, Jim Boser, Chad Blomgren, Mark Leadens

Meeting called to order at 7:05pm

Open Meeting:

Sheila talked to Evan at Metro. Jerseys will not be in until August. Evan is bringing Steve Hamilton 4 white replacement jerseys on Thursday. These are jerseys that were purchased by 4 seniors last season. Mike Miller will speak to Evan to make sure that the jerseys will be here in time for the first game. Sheila will update the jersey count to make sure we have all jerseys that were purchased.

Chanticlear will give the football program \$5 pizzas for the concession stand. We will put a business-sized ad in the football program for Chanticlear for this donation. We do not know at this time if Chanticlear will be used for the after parties. Amy Madsen will use the old Chanticlear ad from last year's program.

Treasurer Report:

Mike Larson is not present. \$12,607 is in our main account. There is \$3,193 in the expense account.

Bills to pay are:

\$320 – MYAS fee

\$245 – trainer fee for MYAS Tournament

MYAS Basketball Tournament:

This fundraiser made close to \$3,000. This was a one-day tournament held on June 11. Many NHS students showed up to help for most of the day, but more volunteers could have been used.

Golf Tournament:

Doug Franz is chairing the golf tournament committee. The first golf tournament meeting will be held this Thursday, June 23. Many volunteers are needed for committees. We need to look for sponsors right away, as the hockey club has already started looking for their golf tournament sponsors, also. Mike Miller will contact Theresa Brummer to get the golf tournament binder from last year.

Corn Feed:

Sheila Heston and Amy Madsen will coordinate this. It is Monday, August 8. The school needs to be reserved and a cook has to be hired. We need a few 9th grade parents to step up and learn how to coordinate the corn feed for next year. An e-mail will go out asking for volunteers to attend a meeting for planning on Thursday, June 30, at 7:00, at Caribou. Don at Coborn's will try to match Costco prices.

Sheila will talk to Don at Coborn's regarding items needed for feeding the players watermelon and popsicles during the "two-a-day" weeks of practice.

QB Club Memberships:

Fifty out of 109 players have signed up for Quarterback Club and clothing. If players are not signed up by June 30, clothing is not guaranteed for the season. An e-mail will be sent out as a reminder.

New Business:

Steve Hamilton will honor what we did last year and players that attended the UMD camp will get to attend the Elk Pride camp for free.

According to John Barth, the district field crew is doing everything they are supposed to do to improve the condition of the practice field and game field. The concession stand pipe that froze and burst has still not been fixed by the district. Mike Miller is working with John Barth to fix the problems with the game field and the concession stand before he leaves for his retirement.

Meeting adjourned at 8:17.

Next meeting is Monday, July 18, 2011 at 7:00pm in Community Room 105.

New Business:
